

Builyan Community Streetscaping | Community Survey

Council has been approached to provide support for a community streetscaping project to enhance the visual appeal of public areas throughout the township of Builyan. The proposal involves the development of a streetscaping plan, species selection and planting by Council with ongoing maintenance provided by community volunteers.

Complete our survey to help Council understand community sentiment towards this proposal and if there is community support for the project to move forward into the planning stage.

Please return completed surveys to: Your nearest Council Office or Rural Transaction Centre or email info@gladstone.qld.gov.au. **Survey closes 15 April 2025.**
